

Story of Hope

April 16, 2020

Lia Gauthier, a 12 year old member of The Falls Church Episcopal, has taken up photography and has really gotten into taking pictures of nature. She has turned them into packs of notecards that she is selling to raise money for the SPCA to help animals get what they need during this time. She read about how there are pet food pantries and that shelters are struggling right now and decided to take action!

Lia says, "I have always wanted to find ways to help the planet and animals. When I started taking pictures, I thought that I could create things that I could sell to raise money to help animals, especially because of what is going on with COVID-19. I hope to continue to use my photography to help make the planet a better place. I am grateful to everyone who bought my notecards so that we can all help animals in need."

To date she has sold 32 packs of 12 notecards and raised over \$400! For more information or to support Lia and the SPCA, please send her an email at kkgauthier@gmail.com.
