

Jeremy and Allison Jester, members of The Falls Church Episcopal, are helping the Timberlane Elementary School PTA raise funds to purchase grocery store gift cards to distribute to families in need while schools are closed. Timber Lane, located less than two miles from The Falls Church, is a Title 1 school which means there is a large concentration of low-income students receiving free or reduced meals.

The PTA wants to support these families as many rely upon these meals to feed their children. The Jesters are driving this effort as one of their children attends Timber Lane and Jeremy is the PTA's treasurer.

You can make secured donations through the PTA's PayPal account [HERE](#). If you have any questions, please feel free to email Jeremy directly at [jeremy.i.jester@gmail.com](mailto:jeremy.i.jester@gmail.com)
