

Brownie Troop 50132 had been holding meetings at The Falls Church Episcopal on Fridays before schools shut down due to Covid-19. They had a successful year this year (their first) in selling cookies, but unfortunately weren't able to use the funds as planned for camping. The Girl Scout Council of the Nation's Capital has cancelled all in-person activities through August 14.

With that in mind, at their last online troop meeting, the scouts voted to donate \$200 to support the homeless during the pandemic. Since it's a relatively small amount, they decided it would be best to add to the church's overall efforts in this area. Also, their annual plan for the troop in May was to do a service project like cleaning or weeding at church, and they will no longer be able to do that.

Brownie Troop 50132 kindly donated \$200 to Shelter House, specifically the Patrick Henry shelter which is for families with children. We are so proud of them for a successful first year and very thankful for their generosity to Shelter House and those in need in our local community.
