

COVID PROTOCOLS

ALL absences must be reported to the office via dsadmin@thefallschurch.org

TO RETURN TO SCHOOL:

If a student is sick with symptoms consistent with COVID, the child must

1. Quarantine at home for 10 days after onset of symptoms

OR

2. Receive medical clearance (and email medical note to dsadmin@thefallschurch.org)

OR

3. Present negative COVID test results to dsadmin@thefallschurch.org and be symptom free.

If a student is absent for any other reason, the parent must

Report the reason for the absence and when the child plans to return to dsamin@thefallschurch.org.

Thank you for following our COVID protocols. These protocols are designed to keep our children safe. Please remember: COVID screening tests must be professionally administered. NO home tests. If your student has a sibling being screened, that child must be kept home until the sibling is cleared.
